

## Elective/Extended Clinic Registration Form

**Elective Clinic:** “[A] student may take any clinic as an elective, including a clinic they have previously taken as a required clinic, subject to limitations in the enrollment of the desired clinic.” *Student Handbook*, Sec 3.3.2. To register for an elective clinic, a student must receive permission from the clinic supervisor.

**Extended Clinic:** “Students wishing to earn **up to two (2) additional credits (85 hours)** in an extended clinic must have prior approval of the clinic supervisor and the Associate Dean of Experiential and Clinical Programs before they work those hours. A student must obtain the proper signatures by using an Elective/Extended Clinic Registration Form. Extended clinic may not be used to satisfy the clinic graduation requirement.” *Id.*

**NOTE:** “The maximum number of credit hours that may be earned toward graduation by a student in clinical and experiential program courses is twenty-seven (27). Such program courses include required clinics, elective and extended clinics, the externship, practicums, and any other courses or programs for credit designated as clinical by the School of Law.” *Student Handbook*, Sec 3.3.1.

*If your D.C. Court of Appeals certification to practice has expired or will expire during your Elective or Extended Clinic, please immediately contact the Clinical Program paralegal for assistance in seeking an extension.*
