

## Externship Course Registration Form

Before completing this form, read Sections 3.3.1 and 3.3.3 of the *Student Handbook* for rules governing the Externship course. See also [www.law.udc.edu/page/Externships](http://www.law.udc.edu/page/Externships).

Students are responsible for finding and applying for a qualifying placement, but the Externship Director and Office of Career & Professional Development are available to assist. Students should identify a placement that will help them meet their professional goals, subject to approval by the Externship Director. If they have chosen an academic Pathway to follow, they should also discuss their options with the designated faculty advisor. Students should note that certain placements may require applications well in advance of the semester for which they want to enroll.
