

REQUEST TO TEMPORARILY LEARN REMOTE BECAUSE OF POSITIVE COVID-19 STATUS FORM

Please note: Per Section 5.1 of the [Student Handbook Vol. 1: Academic Rules \(2021-22\)](#), UDC Law cannot approve remote learning for convenience. However, a student testing positive for COVID-19 may warrant approving a request for a student to learn remotely for a short period of time. In order to initiate such a request, students must submit this form to the Dean of Students. It is the responsibility of the student to ensure that they provide appropriate documentation to support their request and quickly reply to any further inquiry. In addition, students must provide as much notice as possible. Please note that there is no right to an alternative mode of attendance. The request may be denied if not documented or credible. In addition, the request may be limited to a certain time period and/or other conditions.

Please select all that apply. Please note that your request may be denied if you cannot attest to all of the following:

- I attest that I have tested positive for COVID-19 on _____.
- I attest that I have included a fair and accurate representation of my positive test results with my request to temporarily learn remote or I have included the notification I received of my positive COVID-19 status.
- I attest that I have reported my positive test results to the University via email at COVIDCONFIDENTIAL@udc.edu. I included my full name, personal telephone number, and attached my test results within the email. If I didn't have my test result but have been notified of my positive COVID-19 status, I reported that status to the University.
- I attest that since learning of my positive COVID-19 status, I have remained off campus.
- I attest that I will not return to campus until I receive a clearance notification from the University indicating that I can return.
- I attest that I have and will continue to follow all instructions issued by the University in regards to how and when I can safely return to campus.
