

Summer 2022 Book List – All Courses

The Higher Education Opportunity Act requires schools to provide the publisher's suggested retail price (PSRP) for new textbooks, but UDC Law does not require students to purchase new textbooks. Students may buy used books, borrow, rent, etc., as long as they are able to get the required edition of each book. Students should not purchase digital versions (e-books) unless expressly permitted by the professor.

FOLLETT ALL ACCESS

Follett All ACCESS is a program under which the UDC Campus Bookstore delivers all required textbooks for a single per-semester fee that is charged to a student's account. **All UDC students are automatically enrolled in the Follett All ACCESS program each semester.** The fee is \$34 times a student's total semester credit hours (e.g. \$34 x 6 credit hours) regardless of the number or market prices of books required. If the required edition of a book exists in digital format (as an e-book), students will receive a digital version only.

This program is intended to save students money and time securing books, but students are encouraged to 'do the math' based on the books required for their courses each semester. Students may **opt out** of the program completely (no partial opt-outs) by each semester's opt-out deadline. Those who opt out of the program must buy their required books individually (from any source). For more information, please see: <https://www.udc.edu/enrollment-management/follett-access-textbook-program> (note that the contacts for the Registrar and Office of Financial Aid are for undergraduates; law students should contact the law school's Registrar and Office of Financial Aid when needed).

Please note:

- Some books may be required for a second semester or for another course. Students are not required to purchase the same book more than once; however, students may not *partially* opt-out of Follett All ACCESS. The Follett All ACCESS program may still provide total savings even if some books are duplicative; that math depends on each student's book requirements each semester.
- If the UDC Bookstore provides the digital version of a book and the professor requires students to use a print book (i.e. E-book Allowed is 'N'), students will need to buy the print version separately.
- Books for courses that are zero (0) credits (e.g. 1L Lab, Lab II, Lab III) are not included in Follett All ACCESS and must be purchased separately.
- Books that are recommended rather than required are not included in Follett All ACCESS and must be purchased separately.
- Some materials (e.g. online study tools) may not be included in Follett All ACCESS due to restrictions by the author or the publisher, and must be purchased separately. We have attempted to note any such exclusions in the book list below.

If you are in the Follett All ACCESS program and are unable to access a required textbook by the first day of classes, please contact the UDC Bookstore at udc@bkstr.com or 202-274-5110.
