

Student Handbook Acknowledgement

I acknowledge that I have read the rules, regulations and policies governing members of the School of Law community contained in the [2022-2023 School of Law's Student Handbooks Vol. 1 and Vol. 2](#). I also understand that the School of Law expects each student to know the academic requirements outlined in the Student Handbooks and the codes of conduct outlined in the Honor System Handbook and Tolerance Statement.

I am aware that the Student Handbooks are updated yearly in August and that I am expected to familiarize myself with such updates every year of matriculation.
