

2023 FINANCIAL AID CALENDAR

It is very important that you review the financial aid calendar and are aware of various deadlines. Due to federal and institutional regulations, if the appropriate financial aid documents are not submitted in its entirety by the deadlines, the processing and award of your financial aid will be delayed for the semester or the academic year in question. When this occurs, you will be responsible for any outstanding bills until your eligibility is determined and the aid is processed. The Office of Financial Aid will send reminders regarding required documents, but ultimately it is your responsibility.
